Quality and Integrity

"The priceless ingredient in every product is the honor and integrity of the person who makes it."

Your pet is your happy-go-lucky, always-by-your-side, fur-baby, best friend. And we know that their nutrition is of upmost importance. Whether you've got dogs, cats, or rabbits, we've got the feed that will make them healthy and strong.

We are a proud distributor of the **Valu Pak®** brand of dog food and SportMix® cat food. No matter what you're looking for, our goal is to ensure that you've got exactly what you need.

Deal-Rite Feeds is an authorized Valu Pak Feed Dealer

VALU-PAK
PERFORMANCE DOG FOOD

Valu Pak FREE 28/20 Adult & Puppy Food

Feeding Directions

Adult: Food requirements will vary depending on breed, environment, temperament & stress factors. Show dogs and working dogs will require additional amounts of food depending on their degree of activity or stress. Food intake should be adjusted to maintain optimum body weight.

Puppies: Puppies may begin eating Valu-Pak Free 28-20 Dog Food at about four weeks of age. Feed puppies all the moistened (with warm water, not hot) food they will consume three times a day until six months old, then twice a day until nine months old. If fed dry, Valu-Pak Free 28-20 Dog Food may be kept before the puppies at all times. The amount fed should be sufficient to maintain steady optimal growth and weight, but not so much as to stimulate excessive growth and/or weight gain at an early age.

Pregnancy and Nursing: Valu-Pak Free 28-20 provides the extra nutrition needed for reproducing females in stages of gestation and lactation. Food consumption may vary during gestation, so feed the amount needed to maintain the pregnant female's good body condition. Food intake may increase up to four times the normal consumption amount. Adult Mini Chunk with 1 part water, milk or broth. One feeding per day is acceptable, however, 2 feedings each of one half the daily requirement is recommended. Amounts are averages and will vary depending upon the breed, size and age of your dog. Have clean, fresh water available at all times. For your pet's best health, see your veterinarian regularly.

Ingredients

SportMix Wholesomes Chicken & Rice

Benefits

SPORTMiX® Wholesomes™ Chicken Meal & Rice Formula is designed for dogs needing a high energy food from a single source of protein. Wholesomes™ Chicken Meal & Rice Formula is made without high-moisture protein sources or common grains like corn, wheat or soybeans. Wholesomes™ Chicken Meal & Rice Formula nutritionally balances Omega-6 and Omega-3 fatty acids to promote good skin and hair coat. The addition of natural vegetable fibers help support good digestion. SPORTMiX® Wholesomes™ Chicken Meal and Rice Formula supplies your dog with a naturally preserved, 100% complete and balanced diet for a healthy, active life. Available in 40 lb. bags.

Feeding Directions

SPORTMiX® Wholesomes™ Chicken Meal & Rice Formula may be fed dry or moistened according to your dog's preference. If moist food is preferred, mix 4 parts SPORTMiX® Wholesomes™ Chicken Meal & Rice with 1 part water, milk or broth. One feeding per day is acceptable; however, 2 feedings each of one half the daily requirement is recommended.

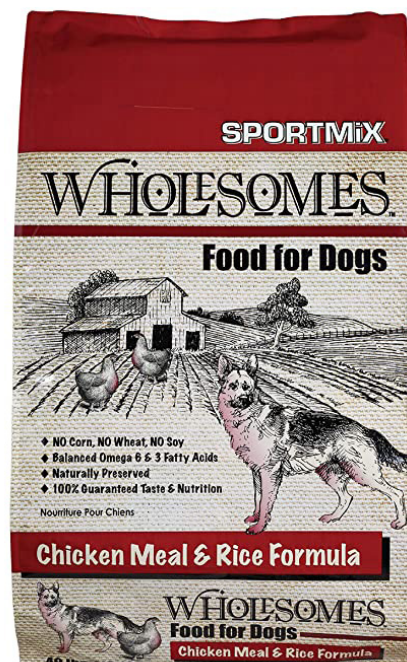

Ingredients

Chicken Meal, Brown Rice, Rice Flour, Rice Bran, Chicken Fat (preserved with mixed Tocopherols) Dried Beet Pulp, Flaxseed, Dried Egg Product, Potassium Chloride, Salt, Choline Chloride, DL-Methionine, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, Zinc Sulfate, Ferrous Sulfate, Niacin, Calcium Pantothenate, Riboflavin Supplement, Copper Sulfate, Pyridoxine Hydrochloride, Thiamine Mononitrate, Manganese Sulfate, Zinc Proteinate, Manganese Proteinate, Copper Proteinate, Calcium Iodate, Cobalt Carbonate, Folic Acid, Sodium Selenite, Biotin, Vitamin B12 Supplement.

Original Recipe Cat Food

Benefits

SPORTMiX® Original Recipe Cat Food is formulated to ensure 100% complete and balanced nutrition for your cat, supplying essential nutrients needed to promote strong muscles and bones, a glossy coat and bright eyes. Available in 31 lb. bags.

Feeding Directions

SPORTMiX® Original Recipe may be fed dry or moistened according to your cat's preference. Feed one half the recommended daily amount twice a day. Or fill your cat's bowl in the morning and allow your cat to nibble throughout the day. If served moistened, add 1 part water or milk to 3 parts of SPORTMiX® Original Recipe. Water is essential to your cat's good health; always provide plenty of clean, fresh water.

Ingredients
